## 2024 Pay-for-Quality (P4Q) Program Minimum Denominator Update

This is an advisory notification to Molina Healthcare of California (MHC) network providers applicable to the Medi-Cal and Marketplace lines of business.

### What you need to know:

We are updating our minimum denominator threshold for our 2024 Medi-Cal and Marketplace Pay-for-Quality (P4Q) programs. There will **no longer** be a minimum threshold of 10 members in the denominator on all chosen members to qualify. Points will be awarded if the quality threshold is met *regardless* of denominator.

This is an update to Article 5.1.a.i in the program. See table below for verbiage.

### When this is happening:

Change is effective as of January 1, 2024.
