Children's Home and Community Based Services

New York State covers Children's Home and Community Based Services (HCBS) under the Children's Waiver. Molina Healthcare of New York, Inc. covers children's HCBS for members participating in the Children's Waiver and provides care management for these services.

Starting **July 1, 2024**, some Children's HCBS services (environmental and vehicle modifications, and adaptive and assistive technology), will be covered by Medicaid fee-for-service. If eligible, you will still be able to receive these services, but these three (3) services will be set up by a Health Home Care Management Agency (CMA). Your care manager will assist with accessing these services. Other HCBS, such as respite and community habilitation, will continue to be covered by Molina Healthcare of New York, Inc.
