Molina Clinical Services Advanced Imaging

Effective **September 9, 2024**, Molina Clinical Services Advanced Imaging prior authorization (PA) requests need to be submitted via Availity (provider portal) utilizing MCG-Cite Auto Auth (MCG-CAA).

Benefits of portal/MCG-CAA submission:
- Available 24 hours per day/7days per week.
- Improves processing time from days to potentially minutes.
- Reduces disruption to member care.
- Real-time authorizations.
- Eliminates phone wait time and manual faxes.
- Clinical documentation can be submitted electronically.
- Automated tools improve efficiency and HIPAA compliance.

If not currently registered, go to http://Provider.MolinaHealthcare.com . For more information, please contact the Provider Services Department or your health plan Provider Representative.

The Special Provider Bulletin is a newsletter distributed to all network providers serving beneficiaries of Molina Healthcare of Utah health care plans.
