A fax bulletin for the Molina Healthcare of Washington Provider Network

Updated Drug Policy Effective March 1, 2024 (Medicaid)

In partnership with the Washington State Health Care Authority (HCA), beginning March 1, 2024, Molina Healthcare will be required to implement one revised drug policy, and one revised corresponding prior authorization form:

- 49.27.00 – Proton pump inhibitors (PPI)

To assist in the prior authorization process, criteria-specific forms for our drug policies are available for use. To ensure timely processing of your request, please fill out each form completely as needed, and attach supporting documentation.

The new prior authorization forms and our Preferred Drug List can be found here:
