A fax bulletin for the Molina Healthcare of Washington Provider Network

Save the Date – February 12, 2021 Free Remote Autism Certification Training (Medicaid)

What is it? This *Autism Center of Excellence (COE) certification training* will help increase access to timely autism evaluations and treatment for children with autism spectrum disorder (ASD).

Topics covered will incorporate current research regarding the evaluation, treatment and care for individuals with ASD throughout the lifespan, including:

- Early signs and screening
- Differential diagnosis and comorbid diagnoses
- Presentation across the autism spectrum and challenges with diagnosis
- Diagnostic evaluation models, including the interdisciplinary evaluation process at the Seattle Children's Autism Center
- Treatment options, including accessing applied behavioral analysis (ABA)
- Discussion of the current state of services in WA and obstacles to care
- And more!

The Washington State Health Care Authority has partnered with Seattle Children's to provide this training.

When & Where: Friday, February 12, 2021, 9 a.m. to 4 p.m., via Zoom video conference

Registration: You can register at [medicalhome.org/coe](https://www.medicalhome.org/coe).

Who should attend? PCPs, clinical staff, psychologists, school clinicians and other clinicians who can diagnose children in their work. Read more at [medicalhome.org/coe](https://www.medicalhome.org/coe).

NOTE: This training has a prerequisite. Complete the American Academy of Pediatrics' (AAP) online PediaLink course, "Identifying and Caring for Children with Autism Spectrum Disorder: A Course for Pediatric Clinicians." Visit [medicalhome.org/coe](https://www.medicalhome.org/coe) for more information.
