Provider Memorandum

Medicaid Redetermination / Unwinding

During the COVID-19 public health emergency (PHE), Medicaid enrollees received uninterrupted health care coverage without annual proof of eligibility requirements. The Centers for Medicaid and Medicare Services (CMS) has provided guidance requiring **all** state Medicaid agencies to resume redetermination activities between **February 1, 2023**, and **April 1, 2023**. Wisconsin is expected to ramp up redetermination efforts beginning this month.

As a valued provider partner, we want to help you to understand and to have the resources to assist Medicaid recipients in renewing their benefits, so they don't lose their health care coverage, allowing them to continue receiving the care they need.

Check out the [Molina Medicaid Renewals website](#) for more information regarding redetermination and unwinding.

In addition, we highly recommend checking out the Provider Toolkit assembled by DHS: [COVID-19 Unwinding Resources for Providers](#).
