How to find a dental provider

- If you live in Milwaukee, Kenosha, Ozaukee, Racine, Washington, or Waukesha counties:
 - Call our Member Services at **(888) 999-2404** (TTY: 711), Monday-Friday, 8 a.m. – 5 p.m.
 - Or, go to molinaproviderdirectory.com/wi.
- If you live outside these areas:
 - Call **(800) 362-3002**
 - Or, go to www.forwardhealth.wi.gov and follow these steps:
 1. Click on the Members link or icon in the middle section of the page.
 2. Scroll down and click on the Resources tab.
 3. Click on the Find a Provider link.
 4. Under Program, select BadgerCare/Medicaid.

Need a ride to your dentist?

Call the Wisconsin non-emergency medical transportation NEMT manager at **(866) 907-1493** (or TTY 711) if you need help with getting a ride to or from the dentist's office.

Importance of regular dental checkups

Healthy teeth are important for children and adults of all ages. Did you know an adult has an average of 32 teeth? However, forty percent of adults over the age of 65 do not have a complete set of teeth. Your teeth should last a lifetime, so take good care of them!

What can you expect at a dental visit?

- Dental exam and x-ray to check for cavities, gum disease and other oral health problems
- Dental cleaning to remove plaque and tartar
- Oral cancer screening
- Education on good oral hygiene habits
- Dietary recommendations to maintain healthy teeth & gums

How often should you schedule a dental checkup?

You should visit your dentist at least once each year. You may need to go more often.
