

Changes to Central Health Medicare Plan's Drug List

Central Health Medicare Plan may immediately remove a brand name drug on our Drug List if;

- A new generic drug becomes available. We may remove the brand name drug if we are changing it with a new generic drug that will be on the same tier with the same or less limits.
 - When adding the new generic drug, we may keep the brand name drug on our Drug List but move it to a higher tier or add new limits.
- We may not tell you before we make that change but we will later send you a notice about the change we made.

We may immediately remove a drug from our drug list and send a notice to members who take the drug if;

- The Food and Drug Administration (FDA) says a drug you are taking is not safe.
- Or if the drug's maker removes the drug from the market.

Before we make other changes to our Drug List that might affect members currently taking a drug. We will advise members at least 30 days before the changes happens, or at the time the member asks for a refill of the drug. The member will receive a 30-day supply of the drug.

If you are affected by a change in drug coverage or limits, you or your doctor can ask us to make an exception. The notice we send you will explain the steps to ask for an exception. To find out more about coverage decisions and how to ask for an exception, see your Evidence of Coverage. Please call Member Services at (800) 665-3086, (TTY: 711), October 1 – March 31: 7 days a week, 8 a.m. to 8 p.m., local time, April 1 – September 30: Monday – Friday, 8 a.m. to 8 p.m., local time if you have any concerns.
