Section 1 – Introduction

This directory provides a list of your plan’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

Network providers are healthcare professionals such as doctors, medical groups, specialists, and healthcare facilities (i.e. hospitals, durable medical equipment suppliers) that are contracted with your plan to provide you with covered services. You may use this directory to help you select a Primary Care Provider, Specialist, Long-Term Services and Support Provider, Hospital, Skilled Nursing Facility, Outpatient Mental Health Provider, and Pharmacy.

Choosing your Primary Care Provider (PCP)

You will have to choose one of our network providers listed in this directory to be your **Primary **Care Provider (PCP)**. Generally, you must get your health care services from your PCP. Your PCP can be a physician, physician assistant, nurse practitioner, or other health care professional that meet state requirements and is trained to provide you basic medical care. Healthcare professionals are eligible to provide you services as a PCP in our Plan, when they are licensed to practice in areas such as: Family medicine, general practice, geriatrics, or internal medicine. Once you have chosen a PCP, please make sure to transfer all of your medical history to their office, in order for your PCP to be informed of any medical conditions you may have. Your PCP can help coordinate your routine medical care, laboratory tests, x-rays, therapies, specialty care, hospital admissions, and appointments.**

The network providers listed in this directory have agreed to provide you with your health care and applicable supplemental services. You may go to any of our network providers listed in this directory, however, some services may require a referral. In most situations, if you need specialized treatment your PCP must give you a “referral” to see a network specialist. If there is a particular specialist or hospital that you want to use, check first to be sure that your PCP can make referrals to that specialist or that hospital. A referral is a written order from your PCP to see a specialist or receive other medical services. It is very important you get a referral from your PCP before you see a network specialist or other providers. If you do not get a referral you may have to pay for these services yourself. However, there are a few exceptions such as: Women’s preventive healthcare, flu shots, Hepatitis B vaccinations, pneumonia vaccinations and urgently needed services. Other providers are available in our network.

If you have any questions about whether we will pay for any medical service or care that you are considering, you have the right to ask us whether we will cover it before you get the service or care.

At times, your PCP may request a service that is unavailable or not provided within our network. Your PCP may need to get an approval ahead of time from your plan to authorize this service referral. This process is called “prior authorization.” If you have questions or concerns about a prior authorization, you may call Member Services.

How to change your PCP?

You may change your PCP for any reason, at any time. To change your PCP, simply call Member Services at (866) 314-2427, (TTY: 711). Hours are October 1 – March 31, 8 a.m. – 8 p.m. local time, 7 days a week. From April 1 – September 30, Monday – Friday, 8 a.m. – 8 p.m. local time. Member Services will verify if your choice of PCP is accepting new patients. Once your new PCP has been assigned, you will receive a new enrollee ID card by mail with your new PCP's contact information. If your PCP leaves your plan, we will let you know and help you switch to another PCP so that you can continue to receive covered services.

Appointment Wait times for primary care and behavioral health

We must provide you with access to primary care and behavioral health services within the following timeframes:

- Urgently needed services or emergency—immediately;
- Services that are not emergency or urgently needed, but the enrollee requires medical attention—within 7 business days; and
- Routine and preventive care—within 30 business days.

Out-Of-Network Provider Bills

If you receive services from out-of-network providers, you may get billed directly. **Do not** pay this bill. Please make a copy for your records and mail the original statement for processing and determination of your liability, if any. For more information, please refer to the EOC.

Getting care outside the Plan's service area

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor your plan will be responsible for the costs.

However, you may receive care from out-of-network provider if you are temporarily outside the Plan's service area and cannot get care from a network provider, or require urgently needed services. If you have questions about whether a service is covered when you are outside the service area, please call Member Services.

Getting care if you have a medical emergency or an urgent need for care

A “**medical emergency**” is when you believe that your health is in serious danger. A medical emergency includes severe pain, a bad injury, a sudden illness, or a medical condition that is quickly getting much worse. You may get covered by emergency medical care when needed, anywhere in the United States. Call 911 for help or go to the nearest emergency room, hospital, or urgent care center. You don't need to get approval or a referral first from your doctor or other network provider.

“**Urgent Care**” is when you need medical help for an unforeseen illness, injury, or condition, but your health is not in serious danger. If you have a pressing, non-emergency medical need while in the service area, call your PCP first. If they are not available, look in this Provider Directory for an urgent care center. You generally must use network providers (refer to the Evidence of Coverage).

What is the service area for your plan?

The counties in our service area are listed below:
Los Angeles.

How do you find your plan’s providers that serve your area?

To help you select a provider near your area, refer to Section 2 in the Table of Contents at the beginning of this directory. Then, select a provider type from the list, such as Primary Care Provider, Specialist, Hospital, Skilled Nursing Facility, or Outpatient Mental Health Provider. Afterwards, in alphabetical format, you may locate providers by county, specialty type (if applicable), city, and zip code.

If you have questions about your plan or require assistance in selecting a PCP, scheduling appointments, or finding a provider that is accepting new patients, please call our Member Services department at (866) 314-2427, (TTY: 711). Hours are October 1 – March 31, 8 a.m. – 8 p.m. local time, 7 days a week. From April 1 – September 30, Monday – Friday, 8 a.m. – 8 p.m. local time. You can also visit **CentralHealthPlan.com**.

Sección 1: Introducción

En este directorio, se proporciona una lista de los proveedores de la red de tu plan. Para obtener información detallada acerca de su cobertura de atención médica, consulte nuestra EOC (Evidencia de cobertura).

Los proveedores de la red son profesionales de atención médica como médicos, grupos médicos, especialistas y centros de atención médica (es decir, hospitales o proveedores de equipos médicos duraderos) que tienen un contrato con tu plan para proporcionarle los servicios cubiertos. Puede utilizar este directorio que le ayudará a seleccionar un proveedor de atención primaria, un especialista, un proveedor de servicios y apoyo a largo plazo, un hospital, un centro de enfermería especializada, un proveedor de salud mental ambulatoria o una farmacia.

Cómo elegir a su proveedor de atención primaria (PCP)

Tendrá que elegir a uno de los proveedores de nuestra red que aparecen en este Directorio para que sea su **PCP** (proveedor de atención primaria). Generalmente, debe obtener los servicios de atención médica de parte del PCP. El PCP puede ser un médico, médico asociado, enfermero especializado u otro profesional de atención médica que cumpla con los requisitos estatales y esté capacitado para brindarle atención médica básica. Los profesionales de atención médica son elegibles para prestarle servicios como PCP en tu plan, siempre que estén autorizados para ejercer en áreas como las que se indican a continuación: medicina de familia, medicina general, geriatría o medicina interna. Una vez que haya elegido a un PCP, asegúrese de transferir todos sus antecedentes médicos a su consultorio para que el PCP se informe acerca de cualquier afección médica que usted tenga. El PCP puede ayudarle a coordinar su atención médica de rutina, análisis de laboratorio, radiografías, tratamientos, cuidado especializado, admisiones hospitalarias y citas.

Los proveedores de la red que se incluyen en este Directorio aceptan brindarle atención médica y los servicios suplementarios correspondientes. Puede acudir a cualquiera de los proveedores de nuestra red que aparecen en este Directorio; sin embargo, algunos servicios pueden requerir una remisión. En la mayoría de los casos, si necesita un tratamiento especializado, el PCP debe darle una “remisión” para que consulte a un especialista de la red. Si desea acudir a un determinado especialista u hospital, asegúrese primero de que el PCP pueda realizar remisiones a ese especialista u hospital. Una remisión es una solicitud por escrito de parte del PCP para que consulte a un especialista o reciba otros servicios médicos. Es muy importante que obtenga una remisión del PCP antes de consultar a un especialista u otros proveedores de la red. Si no obtiene una remisión, es posible que deba pagar estos servicios usted mismo. Sin embargo, hay algunas excepciones como las siguientes: atención médica preventiva para mujeres, vacunas contra la gripe, la hepatitis B y la neumonía, así como también servicios de urgencia. Hay otros proveedores disponibles en nuestra red.

Si tiene dudas acerca de si pagaremos cualquier servicio o atención médica que desee obtener, tiene derecho a consultarnos si ofreceremos cobertura antes de obtener dicho servicio o atención médica.

A veces, el PCP puede solicitar un servicio que no esté disponible o no se preste dentro de nuestra red. Es posible que el PCP deba obtener una aprobación con anticipación de

parte de tu plan para autorizar esta remisión de servicio. Este proceso se denomina “autorización previa.” Si tiene preguntas o dudas sobre una autorización previa, puede llamar a Servicios para Miembros.

Cómo cambiar de PCP

Puede cambiar de PCP por cualquier motivo, en cualquier momento. Para cambiar de PCP, simplemente llame a Servicios para Miembros al (866) 314-2427, (TTY: 711). El horario de atención es de 8 a. m. a 8 p. m., hora local, los 7 días de la semana, del 1. de octubre al 31 de marzo. Del 1. de abril al 30 de septiembre, de 8 a. m. a 8 p. m., hora local, de lunes a viernes. Servicios para Miembros verificará si el PCP que usted elige acepta nuevos pacientes. Una vez que se haya asignado al nuevo PCP, usted recibirá una nueva tarjeta de identificación del afiliado por correo postal con la información de contacto del nuevo PCP. Si el PCP se retira de tu plan, se lo informaremos y le ayudaremos a elegir otro para que pueda continuar recibiendo los servicios cubiertos.

Tiempos de espera para las citas de atención primaria y salud conductual

Debemos proporcionarle acceso a los servicios de atención primaria y salud conductual dentro de los siguientes plazos:

- Servicios de urgencia o emergencia: inmediatamente;
- Servicios que no son urgentes, pero el afiliado necesita atención médica: en un plazo de 7 días hábiles; y
- Atención preventiva y de rutina: en un plazo de 30 días hábiles.

Facturas de Proveedores fuera de la red

Si recibe servicios de proveedores fuera de la red, es posible que se le facture directamente. No pague la factura. Haga una copia a modo de constancia y envíe por correo postal la declaración original para procesarla y determinar su responsabilidad, si la hubiera. Si desea obtener más información, consulte la EOC.

Cómo obtener atención fuera del área de servicio del plan

Debe acudir a proveedores de la red, excepto en casos de emergencia o atención de urgencia, para diálisis renal fuera del área u otros servicios. Si recibe atención médica de rutina brindada por proveedores fuera de la red, ni Medicare ni tu plan serán responsables de los costos.

Sin embargo, puede recibir atención de un proveedor fuera de la red si se encuentra provisionalmente fuera del área de servicio del plan y no puede obtener atención de un proveedor de la red, o si necesita obtener servicios de urgencia. Si tiene preguntas sobre si un servicio está cubierto cuando se encuentre fuera del área de servicio, llame a Servicios para Miembros.

Cómo obtener atención si tiene una emergencia médica o una necesidad de atención de urgencia

Una “**emergencia médica**” es una situación que ocurre cuando usted considera que su salud está en grave peligro. Esta incluye un dolor intenso, una lesión grave, una enfermedad repentina o una afección médica que está empeorando rápidamente. Usted

puede recibir cobertura de atención médica de emergencia cuando la necesite y en cualquier lugar de los Estados Unidos. Para solicitar ayuda, llame al 911 o acuda a la sala de emergencias, hospital u otro centro de atención de urgencia más cercano. No es necesario obtener primero la aprobación ni la remisión, del médico ni de otro proveedor de la red.

“**Atención de urgencia**” es una situación que ocurre cuando usted necesita ayuda médica para una enfermedad, lesión o afección imprevistas, pero su salud no está en grave peligro. Si tiene una necesidad de atención médica apremiante que no es de emergencia mientras está en el área de servicio, llame primero al PCP. Si este no se encuentra disponible, busque un centro de atención de urgencia en este Directorio de proveedores. Generalmente, debe acudir a proveedores de la red (consulte la Evidencia de cobertura).

¿Cuál es el área de servicio de tu plan?

El condado/los condados y las partes de los condados/los códigos postales en nuestra área de servicio se indica/se indican a continuación
Los Angeles.

¿Cómo encontrar proveedores de tu plan que presten servicios en su área?

Para ayudarle a seleccionar a un proveedor cerca de su área, consulte la Sección 2 en la Tabla de contenidos que aparece al comienzo de este Directorio. A continuación, seleccione un tipo de proveedor de la lista, como proveedor de atención primaria, especialista, hospital, centro de enfermería especializada o proveedor ambulatorio de salud mental. Después, en orden alfabético, puede localizar proveedores por condado, tipo de especialidad (si corresponde), ciudad y código postal.

Si tiene preguntas sobre tu plan o si necesita asistencia para seleccionar a un PCP, programar citas o buscar a un proveedor que acepte nuevos pacientes, llame a nuestro Departamento de Servicios para Miembros al (866) 314-2427, (TTY: 711). El horario de atención es de 8 a. m. a 8 p. m., hora local, los 7 días de la semana, del 1. de octubre al 31 de marzo. Del 1. de abril al 30 de septiembre, de 8 a. m. a 8 p. m., hora local, de lunes a viernes. También, puede visitar **CentralHealthPlan.com**.

Para informar cualquier error en este directorio, envíe un correo electrónico a CentralizedOps.Medicare@MolinaHealthcare.com o llame al Departamento de Servicios para Miembros, cuya información de contacto aparece en la portada y la contraportada.
