B. Background Information about Central Health Medi-Medi Plan I's Network Providers

B1. Key terms

This section explains key terms in our Directory.

- **Providers** are professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, Long-term Services and Supports (LTSS), supplies, prescription drugs, equipment, and other services.
- The term “**providers**” includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment.
 - It also includes LTSS providers that you may use as a Central Health Medi-Medi Plan I member.
 - Providers that are a part of our plan's network are called network providers.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider (PCP)** is a physician, nurse practitioner, or other health care professional who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a referral if you need a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - Oncologists care for patients with cancer.
 - Cardiologists care for patients with heart conditions.
 - Orthopedists care for patients with certain bone, joint, or muscle conditions.

- You may need a **referral** or **prior authorization** for a specialist or someone that is not your PCP. A **referral** means that your network PCP must give you approval before you can use the other provider. A **prior authorization** is different than a referral. It means that **Central Health Medi-Medi Plan I** (not your network PCP) must give you approval **before** we will cover a specific service, item, or drug or an out-of-network provider. If you don't get a referral or prior authorization, Central Health Medi-Medi Plan I may not cover the service, item, or drug.
 - Referrals are **not** needed for:
 - emergency care;
 - urgently needed care;
 - kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area;
 - services from a women's health specialist; or
 - services not listed on the Central Health Medi-Medi Plan I Prior Authorization List or listed as not requiring Prior Authorization.
 - Additionally, if you are an American Indian Member, you may receive services from an Indian Health Care Provider without a referral. We must pay the Indian Health Care Provider for those services even if they are out of our plan's network.
 - More information on referrals and prior authorization is available in Chapter 3 of the *Member Handbook*.
- You will also be assigned a **Care Team**. Your **Care Team** is a group of advocates and providers working together to provide you with medical, behavioral health, psychosocial, social care, and long-term services and supports in the community or in a facility. You are a member of your Care Team, and you can tell us who else you would like to participate. Everyone on the Care Team works together to make sure your care is coordinated. This means that they make sure tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your Care Team may include:
 - Your **Case Manager** that helps you manage your medical providers and services. Your Case Manager will develop an ICT with you or your designee. The ICT will list all of your needs, set goals and look at ways to monitor If your needs are being met.
 - Your **Primary Care Provider**
 - Your behavioral health clinician (if you have one)

- Your Long-term Services and Supports (LTSS) providers (if you have them). These include:
 - In-Home Supportive Services (IHSS) Case Manager and/or Caregiver
 - Your Multipurpose Senior Services Program (MSSP) Case Manager and/or Nurse
 - Community-Based Adult Services (CBAS) Case Manager
- A pharmacist, and
- Representatives from the facility where you get care.
- Your ICT can also include the following people, if it is appropriate and if you agree:
 - Nurses, specialists, social workers, and other people who can provide expert advice
 - Family members
 - Other informal caregivers
 - Advocates
 - State agency or other case managers

B2. Wait times for primary care and behavioral health

We must provide you with access to primary care and behavioral health services within the following timeframes:

- immediately for urgently needed services or an emergency.
- within 7 days for services that are not an emergency or urgently needed, but you require medical attention; or
- within 30 days for routine and preventative care.

B3. How to choose a Primary Care Provider (PCP)

First, you will need to choose a Primary Care Provider (PCP). You may be able to have a specialist act as your PCP. Specialties include: Internal medicine, pediatrics, infectious disease, family practice, general practice, and OB/GYNs. Please call Member Services to choose a PCP. You can choose any PCP in our network who is accepting new members.

Our plan's PCPs are affiliated with medical groups. When you choose your PCP, you are also choosing the affiliated medical group. This means that your PCP will be referring you to specialists and services that are also affiliated with their medical group.

- If there is a particular specialist or hospital that you want to use, it is important to find out if they are affiliated with your PCP's medical group. You can look in this Directory, or ask Central Health Medi-Medi Plan I Member Services to check if the PCP you want makes referrals to that specialist or uses that hospital.

 **If you have questions**, please call Central Health Medi-Medi Plan I (HMO D-SNP) at (866) 314-2427, TTY: 711, 8 a.m. to 8 p.m. local time, 7 days a week. The call is free. **For more information**, visit CentralHealthPlan.com.

- If you don't stay within your PCP's medical group, Central Health Medi-Medi Plan I may not cover the service.
- To choose a PCP, refer to the list of providers in section C and choose a provider:
 - that you use now, **or**
 - who has been recommended by someone you trust, **or**
 - whose offices are easy for you to get to.
- If you do not choose a PCP in our network, Central Health Medi-Medi Plan I will choose one for you.
- You may also search for a PCP on our Find a Provider search tool at **CentralHealthPlan.com**. Search by name, specialty, and proximity to your home.
- If you want help in choosing a PCP, please call Member Services at (866) 314-2427, TTY: 711, 8 a.m. to 8 p.m. local time, 7 days a week. The call is free. Or, visit **CentralHealthPlan.com**.
- If you have questions about whether any service or care that you want or need is covered, talk to your Care Team or call Member Services at (866) 314-2427, TTY: 711, 8 a.m. to 8 p.m. local time, 7 days a week and ask **before** you get the service or care.

B4. Long-term Services and Supports (LTSS) providers

As a Central Health Medi-Medi Plan I member, you will be able to get Long-term Services and Supports (LTSS) if you need them, such as:

- In-Home Supportive Services (IHSS)
- Community-Based Adult Services (CBAS) - CBAS is a community-based day health program that provides services to older persons and adults with chronic medical, cognitive, or mental health conditions and/or disabilities that are at risk of needing institutional care. To apply for CBAS, please contact Central Health Medi-Medi Plan I Member Services at (866) 314-2427, TTY: 711, 8 a.m. to 8 p.m. local time, 7 days a week.
- Skilled nursing care
- Nursing home care
- Home health care
- Supplies
- Physical therapy
- Occupational therapy
- Speech Therapy

 **If you have questions**, please call Central Health Medi-Medi Plan I (HMO D-SNP) at (866) 314-2427, TTY: 711, 8 a.m. to 8 p.m. local time, 7 days a week. The call is free. **For more information**, visit **CentralHealthPlan.com**.

- Medical social services
- Other services

A full list of these services is available in Chapter 4 of your *Member Handbook*.

LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

If you need LTSS, your Care Manager can help you and your Care Team determine what options are available to support you in the way you want.

B5. How to access Central Health Medi-Medi Plan I's network providers

You may need a referral for someone who is not a Primary Care Provider (PCP). There is more information about referrals in **section B1**.

You must get all of your covered services from providers within our network that are affiliated with your PCP's medical group. If you use providers who are not in Central Health Medi-Medi Plan I's network and are not affiliated with your PCP's medical group (**without prior authorization**), **you will have to pay the bill**.

A prior authorization is an approval from Central Health Medi-Medi Plan I to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. Medicare and Medicaid do not provide coverage for emergency medical care outside the United States and its territories except under limited circumstances. Contact plan for details. You can also go outside the plan or your PCP's medical group for other non-emergency services if Central Health Medi-Medi Plan I (HMO D-SNP) gives you permission first.

- You may change providers within the network at any time during the year. If you have been using one network provider, you do not have to keep using that same provider. For some providers, you may need a referral from your PCP.
- Remember, our plan's PCPs are affiliated with medical groups. If you change your PCP, you may also be changing medical groups. When you ask for the change, be sure to tell Member Services if you are using a specialist or getting other covered services that require PCP approval. Member Services will help make sure that you can continue your specialty care and other services when you change your PCP.
- Central Health Medi-Medi Plan I (HMO D-SNP) works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and are not sure if they offer the accommodations you need, Central Health Medi-Medi Plan I can help you. Talk to your Case Manager for assistance.

 **If you have questions**, please call Central Health Medi-Medi Plan I (HMO D-SNP) at (866) 314-2427, TTY: 711, 8 a.m. to 8 p.m. local time, 7 days a week. The call is free. **For more information**, visit CentralHealthPlan.com.

- Un **Proveedor de Cuidados Primarios (PCP)** es un doctor, un enfermero especializado u otro profesional de atención médica que le brinda atención de rutina. Su PCP llevará un registro de su historia clínica y conocerá sus necesidades de salud a lo largo del tiempo. Su PCP también le dará una **remisión** en caso de que necesite consultar a un especialista u otro proveedor.
- Los **especialistas** son médicos que proveen servicios de atención médica para una enfermedad o parte del cuerpo específica. Existen muchos tipos de especialistas. Algunos ejemplos son los siguientes:

Una **remisión** significa que su PCP de la red debe darle la aprobación antes de que usted pueda recurrir al otro proveedor. Una **autorización previa** es diferente a una remisión. Significa que **Central Health Medi-Medi Plan I** (no su PCP de la red) debe dar su aprobación **antes** de que cubramos un servicio, artículo o medicamento específicos o un proveedor fuera de la red. Si no obtiene una remisión o una autorización previa, es posible que Central Health Medi-Medi Plan I no cubra el servicio, artículo o medicamento.

 - Además, si usted es un miembro indígena estadounidense, puede recibir servicios de un proveedor de atención médica para indígenas sin una remisión. Debemos pagarles a los proveedores de atención médica para indígenas por estos servicios, incluso si están fuera de la red de nuestro plan.
 - Encontrará más información disponible sobre las remisiones y autorización previa en el Capítulo 3 del *Manual del Miembro*.
- También se le asignará un **Equipo de Cuidados**. Su **Equipo de Cuidados** corresponde a un grupo de defensores o intercesores, además de proveedores, quienes trabajan juntos para proporcionarle servicios médicos, de salud conductual, psicosociales, de

atención social y de largo plazo. Además, le brindan servicios de apoyo en la comunidad o en una instalación. Usted es un miembro de su Equipo de Cuidados, y usted nos puede decir quién más le gustaría que participara. Todos los miembros del Equipo de Cuidados trabajan en conjunto para asegurarse de que su atención sea coordinada. Esto significa que se aseguran de que obtiene todas las pruebas, los análisis de laboratorio y otros cuidados que necesita, y los resultados se comparten con los proveedores correspondientes. También significa que su PCP debe estar informado acerca de todos los medicamentos que usted toma a fin de que este pueda reducir cualquier efecto negativo para su salud. Su PCP siempre solicitará su permiso antes de compartir su información médica con otros proveedores. Su Equipo de Cuidados puede incluir a los siguientes miembros:

- Su **Administrador de Casos** que lo ayuda a gestionar sus proveedores y servicios médicos. Su Administrador de Casos desarrollará un Equipo Interdisciplinario de Atención (ICT) con usted o su designado. - Su ICT también puede incluir a las siguientes personas, si es apropiado y si usted está de acuerdo:
 - Enfermeras, especialistas, trabajadores sociales y otras personas que pueden proporcionar asesoramiento especializado
 - Familiares
 - Otros cuidadores informales

 - Agencia estatal u otros Administradores de Casos

B2. Tiempos de espera en atención primaria y salud mental

Debemos proporcionarle acceso a los servicios de atención primaria y de salud conductual dentro de los siguientes plazos:

- inmediatamente en caso de urgencia o emergencia.
- en un plazo de 7 días para los servicios que no sean una emergencia ni se necesiten con urgencia, pero en los que usted requiera atención médica; o
- en un plazo de 30 días para servicios de salud de rutina y preventivos.

B3. Proveedor de Cuidados Primarios (PCP)

Primero, debe elegir un Proveedor de Cuidados Primarios (PCP). Es posible que pueda contar con un especialista que se desempeñe como su PCP. Las especialidades incluyen lo siguiente: medicina interna, pediatría, infectología, medicina general y obstetricia/ginecología. Llame al Departamento de Servicios para Miembros para elegir un PCP.

Puede elegir a cualquier PCP de nuestra red que acepte nuevos miembros.

Los PCP de nuestro plan están afiliados a grupos médicos. Cuando usted elige su PCP, también está eligiendo al grupo médico afiliado. Esto significa que su PCP lo derivará a especialistas y servicios que también estén afiliados a su grupo médico.

- Si hay un especialista u hospital en particular que desee utilizar, es importante comprobar que estén afiliados con el grupo médico de su PCP. Puede consultar este Directorio o pedir al Departamento de Servicios para Miembros de Central Health Medi-Medi Plan I que verifique si el PCP que desea que lo atienda realiza remisiones a ese especialista o utiliza ese hospital.
- Si usted no permanece dentro del grupo médico de su PCP, Central Health Medi-Medi Plan I no podrá cubrir el servicio.
- Para elegir un PCP, consulte la lista de proveedores en la Sección C y elija un proveedor:
 - que utiliza ahora **o**;
 - que haya sido recomendado por alguien de su confianza, **o bien**;
 - cuyo consultorio sea de fácil acceso para usted.
- Si no elige un PCP de nuestra red, Central Health Medi-Medi Plan I elegirá uno por usted.
- También puede buscar un PCP en nuestra herramienta de búsqueda Find a Provider (Buscar un Proveedor) en **CentralHealthPlan.com**. Busque por nombre, especialidad y cercanía a su casa.

- Si necesita ayuda para elegir un PCP, comuníquese con el Departamento de Servicios para Miembros al (866) 314-2427, TTY: 711, 8 a.m. a 8 p.m. hora local, los 7 días de la semana. Esta llamada es gratuita. O bien visite **CentralHealthPlan.com**.
- Si tiene preguntas sobre la cobertura de cualquier servicio o atención que desee o necesite, comuníquese con su Equipo de Cuidados o llame al Departamento de Servicios para Miembros al (866) 314-2427, TTY: 711, 8 a.m. a 8 p.m. hora local, los 7 días de la semana, y pregunte antes de que reciba el servicio o atención

B4. Proveedores de Servicios y Apoyo a Largo Plazo (LTSS)

Como miembro de Central Health Medi-Medi Plan I, puede optar a recibir Servicios y apoyo a Largo Plazo (LTSS) si los necesita, tales como:

- Servicios de Apoyo en el Hogar (In-Home Supportive Services, IHSS)
- Servicios para adultos con base en la comunidad (Community-Based Adult Services, CBAS). El CBAS es un programa de salud diurno basado en la comunidad que proporciona servicios a personas mayores y adultos con afecciones médicas crónicas, cognitivas o de salud mental o discapacidades que están en riesgo de necesitar cuidado institucional. Si quiere solicitar los servicios de CBAS, comuníquese con el Departamento de Servicios para Miembros de Central Health Medi-Medi Plan I llamando al (866) 314-2427, 8 a.m. a 8 p.m. hora local, los 7 días de la semana.
- Atención de enfermería especializada
- Atención en una residencia para adultos mayores
- Atención médica domiciliaria
- Suministros.
- Terapia física
- Terapia ocupacional
- Terapia del Habla.
- Servicios sociales médicos.
- Otros servicios

Una lista completa de estos servicios está disponible en el Capítulo 4 de su *Manual del Miembro*.

Los LTSS ayudan a personas que necesitan asistencia para realizar tareas cotidianas como bañarse, vestirse, cocinar y tomar medicamentos. La mayoría de estos servicios se brindan en su casa o su comunidad, pero podrían proporcionarse en una residencia para ancianos o en un hospital.

Si necesita LTSS, su Administrador de atención puede ayudarle a usted y a su Equipo de atención a determinar qué opciones están disponibles para brindarle el apoyo que usted desea.

 **Si tiene alguna pregunta**, llame a Central Health Medi-Medi Plan I (HMO D-SNP) al (866) 314-2427, TTY: 711, 8 a.m. a 8 p.m. hora local, los 7 días de la semana. Estas llamadas son gratuitas. **Para obtener más información**, consulte **CentralHealthPlan.com**.

B5. Cómo acceder a los proveedores de la red de Central Health Medi-Medi Plan I

Es posible que necesite una remisión para consultar a alguien que no sea un Proveedor de Cuidados Primarios. Hay más información sobre referencias en la **sección B1**.

Debe recibir todos los servicios cubiertos de proveedores de la red que están afiliados al grupo médico de su PCP. Si consulta a proveedores que no están en la red de Central Health Medi-Medi Plan I y no están afiliados al grupo médico de su PCP (**sin autorización previa**), **tendrá que pagar la factura**.

Una **autorización previa** es una aprobación de Central Health Medi-Medi Plan I para buscar servicios fuera de nuestra red u obtener servicios que no están cubiertos rutinariamente por nuestra red antes de que usted obtenga los servicios.

Las únicas excepciones a esta regla son cuando necesita atención urgente o de emergencia o diálisis y no puede acceder a un proveedor del plan, como cuando está lejos de casa. Medicare y Medicaid no proporcionan cobertura para atención médica de emergencia fuera de los Estados Unidos y sus territorios, salvo en circunstancias limitadas. Comuníquese con el plan para obtener más detalles. También puede salir del plan o del grupo médico de su PCP para otros servicios que no sean de emergencia si Central Health Medi-Medi Plan I (HMO D-SNP) le otorga el permiso con anterioridad.

- Puede cambiar de PCP dentro de la red, en cualquier momento durante el año. Si ha estado viendo a un proveedor de la red, no tiene que seguir atendiéndose con ese mismo proveedor. Para algunos proveedores, es posible que necesite una remisión de su PCP.
- Recuerde que los PCP de nuestro plan están afiliados a grupos médicos. Si cambia su PCP, puede estar cambiando también grupos médicos. Cuando solicite el cambio, asegúrese de comunicarle al Departamento de Servicios para Miembros si está viendo a un especialista u obteniendo otros servicios cubiertos que requieran la aprobación del PCP. El Departamento de Servicios para Miembros se asegurará de que pueda continuar con su atención especializada cuando cambie su PCP.
- Central Health Medi-Medi Plan I (HMO D-SNP) trabaja junto con todos los proveedores de nuestra red para adaptarse a las necesidades de las personas con discapacidades. Según corresponda, en la lista de proveedores dentro la red de este Directorio se incluye información sobre las adaptaciones que proporcionan.
- Si necesita a un proveedor y no está seguro de si este le ofrece las adaptaciones que usted necesita, Central Health Medi-Medi Plan I puede ayudarlo. Hable con su Administrador de Casos para recibir asistencia.

Si tiene alguna pregunta, llame a Central Health Medi-Medi Plan I (HMO D-SNP) al (866) 314-2427, TTY: 711, 8 a.m. a 8 p.m. hora local, los 7 días de la semana. Estas llamadas son gratuitas. **Para obtener más información**, consulte CentralHealthPlan.com.
