## Hadlima (Humira Biosimilar) added to AHCA Preferred Drug List

At the March 2024 AHCA P&T committee meeting, the decision was made to co-prefer Hadlima 40mg/0.4ml and 40mg/0.8ml prefilled syringe (Humira biosimilar) alongside reference originator Humira on the AHCA Preferred Drug List. Both drugs have the same PA criteria.

This addition is effective 5/1/24. Please refer to full prescribing information at [organonpro.com](http://organonpro.com) or [HADLIMA™ \(adalimumab-bwwd\) | Official HCP Site \(organonpro.com\)](https://www.organonpro.com/hadlima).
