

Specialty Pharmacy Change Effective 1/1/24

As a result of recent FL legislation, Molina Healthcare of Florida is adding Publix to our specialty pharmacy provider network, effective January 1, 2024. CVS Caremark Specialty will remain in-network but is no longer the sole preferred specialty pharmacy.

Molina members can choose to transfer or take specialty prescription scripts to CVS Caremark or a Publix retail location for fulfillment or at their central fill location and delivered.

Visit <https://www.publix.com/pharmacy/pharmacy-services/specialty> for a full list of Publix specialty medications. Prescribers can fax prescriptions to Publix Specialty Pharmacy at (863) 413-5723 or call (855) 797-8254.

If you have questions, please contact Molina Healthcare at 855-322-4076.

Thank you for your continued care to our members!
