MAXIMIZING YOUR HEALTHCARE SYSTEM : INTEGRATING CHWS IN A CLINICAL SETTING

Wednesday, November 15th 2023 12:00 - 1:00 PM PT

The goal of Project ECHO is to increase health care capacity by democratizing knowledge and to strengthen the capacity among primary care providers.

In this 60-minute session, you will discover the invaluable role that Community Health Workers (CHWs) can play in enhancing your healthcare organization's clinical practice. Community Health Workers bring a unique set of skills and insights that can lead to improved patient outcomes and a more comprehensive approach to healthcare delivery.

Key Objectives for this session Include:

- Improve understanding of CHW education, qualifications, and certification
- Enhance awareness about the vital functions that Community Health Workers can perform within care teams
- Promoting the incorporation of CHWs into clinical care teams to enrich the care experience for both patients and providers
- Describe billing and financial aspects of CHWs to ensure financial sustainability
- Listen to the real-world impact of CHWs with patient and provider stories that provide inspiration and practical insights
