Re: Annual Model of Care Training Requirement 2023

Dear Providers,

Molina Healthcare of Nevada must provide annual training regarding our Model of Care program for Medicare Special Needs Plan (SNP) enrollees. The Model of Care is the foundation for Molina's care management policy, procedures, and operational systems for our SNP population.

To ensure that Molina remains compliant with Centers for Medicare and Medicaid (CMS) regulatory requirements for Model of Care training, receipt of a completed Attestation Form is due to Molina no later than **December 31, 2023**.

The following steps:

1. Take the Model of Care Training.
 - The written training materials on the Molina Healthcare Model of Care can be found on the Molina website [here](#)
MolinaHealthcare.com > Select State> Nevada > Health Care Professionals > Medicare > Scroll down to Model of Care.
 - The training and quick reference guide are posted there. To submit the attestation, select the state (Nevada) at that location.
2. Complete and sign the Model of Care Training Attestation Form.
 - If one Attestation Form is being returned for a group or clinic, it must be signed by an individual with authority to sign on behalf of the group/clinic. An attendance roster indicating which providers completed the training must be attached.
 - Upon completion, a copy of the Model of Care Training Attestation Form is available via a link at the end of the Model of Care Training Deck or on the MolinaHealthcare.com Medicare provider webpage.
3. Return the Attestation Form to Molina Healthcare via the automated submit button on the form or email: NVProviderRelations@MolinaHealthcare.com.
