# Medicaid Eligibility Service Authorization Verification (MESAV)

Using the data provided by HHSC, Molina has developed a MESAV and it is available on the Molina Portal. This data is obtained by Molina Healthcare after it is posted to the TMHP website. Therefore, please expect a delay between data appearing on the TMHP website and the Molina Portal.

Requirements to view a MESAV on the Molina Portal:

- You must have Molina portal log-in access granted by your portal administrator
- MESAV data is specific to the provider number

If assistance is needed with Molina Portal access please contact your Molina Provider Services Representative or email
